All skyboxes come with reserved parking on east side of building & use east entrance
This will require 100 parking spaces be seperated and managed

People will be directed to the elevator and also to the skybox (some signage)

The skybox has food service available from the fairgrounds & by the fairgrounds

We will put a sign with company or other name in each skybox for each show

This will be marketed as premium or VIP seating with reserved or VIP parking

The seating we have sold as Potentate box seating will be sold as reserved seating

We will use a skyboxes for all people that normally get Potentate box seats

We will use a skybox for Ladies without Nobles which has less steps & is safer seating
